

Elder Care Groups

2015

The congregation of Grace Church, as a body of believers, is divided into Elder Care Groups. Each group is comprised of several households served by an elder. To better know you, they will want to visit in your home or meet for coffee. We trust you will welcome them.

Function and Purpose

Elder Care Groups provide support to households and individuals within the congregation, and attend to our spiritual and emotional health. They will contact households throughout the year, but **members of households may call them with joys and concerns** at any time: illness, crisis, or death as well as births, anniversaries, vacation or mission trips.

We should all look and listen for opportunities to serve. We may be able to write a note, bring a meal, offer a ride, invite to dinner, join the potluck, or organize a service project.
