

Bible Bingo

Once you've completed the activity in a square, color it in. If the square is about a Bible story, write the Bible verses in the square. If the square is about a list, write the 5 things in the square. When you have 5 in a row, you've got Bingo! When you have Bingo, show it to Miss Natalie and you will get \$2.

A special bonus prize to anyone who gets blackout (every square colored in).
